

## Online Flagger Certification Options

Colorado Online Flagger Certification available at **OnlineFlagger.com**.

The **ONLY** online flagger certification option for **first-timers** approved by CDOT is provided by *Professional Traffic Graphics* - <https://www.trafficgraphics.com>. Their flagger certification program is available at: OnlineFlagger.com. The direct Colorado page is available here: [Colorado OnlineFlagger.com](https://www.trafficgraphics.com)

Participants receive both a CDOT Flagger Card and an ATSSA flagger card good for 2 years. The OnlineFlagger.com course can also be used for **re-certifications**.

The only other online provider approved by CDOT for **re-certifications only** is "*Flaggers Inc.*" <https://flaggersinc.com/>

CDOT is currently working with two other companies to determine if they will be approved for online certification.
