

# Arkansas Technology Transfer **WEBINAR SERIES**

## **Stormwater Management**

Regulations & Documentation

*November 17, 2021 1:30 – 3:30 pm*

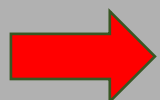

This 2-hour webinar will begin with the essential knowledge of permits and organizations that govern the management of stormwater on construction projects in Arkansas. In addition, the basics of developing a Stormwater Pollution Prevention Plan (SWPPP) and other associated documents will be presented. PDHs available.

## **Stormwater Management**

Best Management Practices

*December 1, 2021 1:30 – 3:30 pm*

In this webinar, concepts and techniques are explored that will assist local agencies in using Best Management Practices (BMPs) to prevent erosion and control sediment during and after construction. Specific information for installation, maintenance, and inspection procedures will be covered. PDHs available.
